All images used in this book are scans or reproductions of material submitted to the Sarai-CSDS archive by the Independent Research Fellows. We would like to thank the independent fellows who have taken these pictures or collected these images. In the case of images collected by researchers, every effort has been made to trace the original authors of the images.

Box items texts were largely extracted from the postings made by fellows on the Reader List and Deewan-e-Sarai. In addition, we would like to thank the editors of the sarai.txt for permission to use material from different Sarai.txt broadsheets; Samath Banerjee and Harini Narayanan for permission to publish their communications to the editors and Naresh Fernandes for permission to use his liner notes to the vinyl LP Bombshell Baby of Bombay , produced by Edo Bouman for Bombay Connection Records (2006).
